

CAMPSITE POLICIES

Camping opportunities are available for currently enrolled students only (not the general public) on weekends at designated campsites. The campsites are "primitive" in design, thus electricity and running water are not available at the campsites. Please follow the rules outlined below.

- **Campsite Reservations** - All campsites must be reserved in advance and registration takes place at Reinhardt Central. Only use the designated campsites on the designated day.
- **Campsites Days/Hours** - The campsites can only be reserved for weekend camping (i.e. Friday and Saturday nights, Friday 4 p.m. thru Sunday 2 p.m.). Given the unique terrain and landscape of the trails and campsites, campers must be at their campsites prior to sunset and campers may not leave the campsites after sunset unless in case of an emergency.
- **Site Responsibility** - The person reserving the campsites is responsible for guests and campsites activities.
- **Number of People/Tents per Site** - Only those students who have registered for the campsites with Reinhardt Central are allowed on the campgrounds. Six people is the maximum number allowed at a campsites. Each site may have two small tents or one large tent.
- **Quiet Hours** - Quiet hours are from 10 p.m. to 6 a.m.
- **Campsites Inspections** - Campsites will be inspected when you leave. The Site Supervisor may conduct random site checks during the evening and morning hours.
- **Leave No Trace** - Please do not litter or engage in any activity that damages the camp site or the surrounding area. Please respect and protect all of Reinhardt's wildlife and historical, archeological and research sites. No objects may be removed or damaged.

- **Campfires** - Campfires are permitted only in the fire ring provided at the campsites. Campfires must be small and contained in the fire ring (no large bon fires allowed). Campfires must be attended at all times and extinguished before going to sleep and before leaving the site.
- **Firewood** - If you do not bring your own firewood, collect only dead wood that is on the ground. Do not cut branches off of live trees.
